

# Scranton Branch

Dunder Mifflin

By Adel

# Position of the branch Benchmark

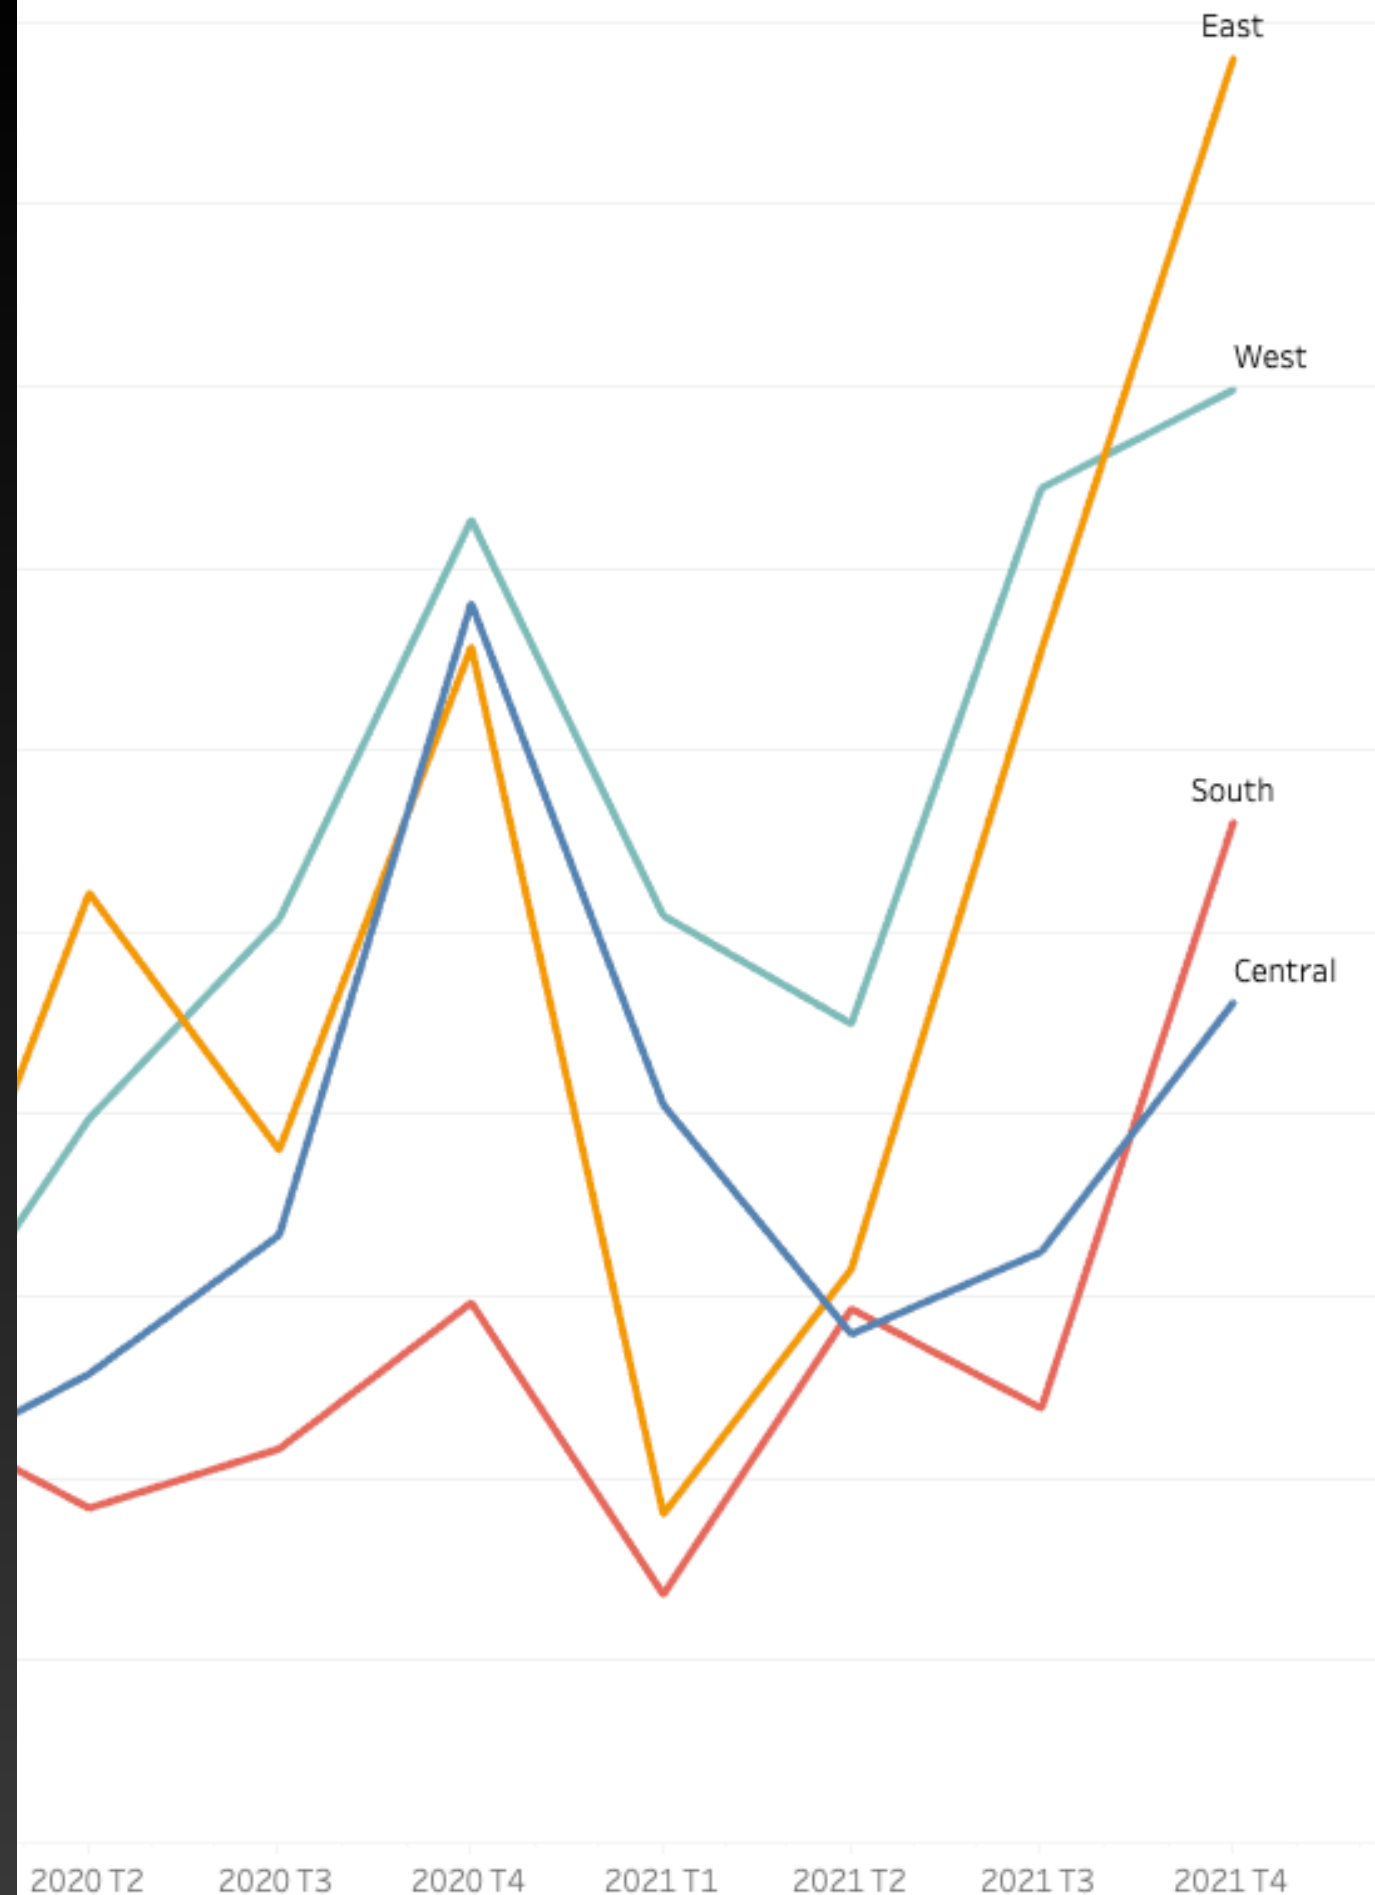

- East region is in second place
- The KPI for the next quarter is to reach 3200
- So M.Scott know how to handle his branch

# Evolution

## Comparative

- We can see that we have increase our orders
- Est branch have sold us but for the next quarter, they will go behind us!

I didn't find other good indicators  
highlighting the Scott's branch ^^
